

**CITY OF QUINTE WEST COMMUNITY INTERACTIVE GIS USER FEES**

**BACKGROUND**

The following is a listing of fees associated with the new City of Quinte West Community Interactive GIS application that was launched on November 18, 2005. This community interactive GIS application is the most advanced community socio-economic web based application existing right now in the Province. From the comfort of your home you can access the City's web site ([www.quintewest.on.ca](http://www.quintewest.on.ca)) and enter the public GIS (Geographic Information System) and view the City like never before. Detailed mapping illustrating individual parcels, street names, topographical detail (i.e. watercourses, woodlands) aerial photography (scale 1:12000), municipal features (parks, fire and police stations, recreational facilities) and community features (schools, churches, cemeteries). This GIS application will also allow the public detailed information on the City of Quinte West business and agricultural community by illustrating the name and location of any business in Quinte West, a link to their website (if applicable), photo, and any applicable PDF file information to share with the public.
